

Application for business approval to hire out employed drivers transporting goods for hire or reward

Applicant:

Name:	
Address:	Phone:
Postal code, city, country:	Email:

hereby applies in accordance with the Danish legislation for approval to operate a temporary driver business.

Please note that the approval only allows the company to hire out its employed drivers. The owner of a sole proprietorship cannot hire out himself.

Documentation for salary and working conditions:

How many drivers does the company employ?

You must state whether the company is: (check the box)

- Member of one of the following employers' associations and follows a transport agreement for drivers:**
 - Danish Transport and Logistics Employers' Association (DTL-A)
 - Employers' Association for Transport and Logistics (ATL)
 - International Transport Denmark Employer's Association (ITD-A)
- Have entered and are following a transport agreement for drivers with one of the following unions:**
 - The United Federation of Workers in Denmark (3F)

or attach documentation that the company:

- Follows the wage level set out in the transport agreements for drivers between 3F and ATL or DTL-A respectively.** Documentation must be submitted for at least 10% of the company's employed drivers/employees with driver functions - however always for at least one driver. For each of the selected drivers, the following must be submitted:
 - A copy of the employment contract.
 - Latest pay slip showing actual wages paid.
 - A time sheet for the same period as the submitted pay slip, documenting working hours.
 - Information on whether the driver has performed national or international trips.

Note: Documentation must be from the most recent pay period and be complete. Draft pay slips or incomplete information will not be accepted.
